MEMORANDUM TO: Director of Intelligence
Headquarters, U. S. Air Force
Room 3B-152, National Defense Building

SUBJECT: National Intelligence Survey Program

REFERENCES:

- A. Minutes of IAC Meeting held on 16 June 1948.
- B. Memo for Director of Central Intelligence from Brig. Gen. Walter R. Agee, Acting Director of Intelligence, USAF, subject as above, dated 14 July 1948.
- C. Memo to Deputy Director, JIC, Joint Staff, from Director of Central Intelligence, subject as above, dated 23 July 1948.

1. No reply has as yet been received to Reference "C".

2. At the IAC meeting held on 16 June it was indicated that your Agency could support the program of six NIS for fiscal year 1949 without further funds, but would require supplemental funds, in addition to those provided in its normal budget, for succeeding fiscal years. In view of this and the restricted amount of funds available to CIA for the fiscal year 1949, it is not possible to allocate the \$103,000 for this fiscal year requested in Reference "B".

3. Provision will be made in the CIA budget for fiscal year 1950 for alternate amounts for your Agency of \$193,000 and \$342,000, the actual amount to be determined based on the decision of the Joint Staff as to the target date for completion of NIS. Actual availability of the funds will, of course, be subject to appropriation by Congress. Similar action will be taken in each succeeding year pending completion of the program.
